Strategically guiding your real estate portfolio to adjust in these trying times

1

Investigate

- Survey your employees
- Identify your company's mission as it relates to your employees in the workplace
- Do your plans align with the landlord's?
- Understand building guidelines and regulations

2

Converse

- Talk with company leaders, managers, and employees
- How effective is your team while working remotely?
- What social and collaborative effects have remote work had on your company culture?
- Review survey feedback and discuss solutions

3

React

- Use the information gathered to make workplace decisions
- Create a workplace strategy that aligns with the needs of your employees
- Address the concerns of your team prior to re-entry
- Continue to solicit feedback and adjust your plans as needed

WHAT IS THE VALUE OF THE WORKPLACE FOR YOUR ORGANIZATION?

What is the value in returning to the workplace? This question is being asked by many organizations but each organization has different needs, functions, and corporate cultures. So what questions should you be asking YOUR ORGANIZATION? These points can help to get the conversations started.

Investigate

Research workplace limitations and survey your organization

Converse

Open lines of communication with your team to define workplace needs

React

Use the information gathered to implement your re-entry plan for your organization
